{seyretpic id= 20 align=center} Hey Blessid Fans, there is a new clip in the Video player that shows a little info on Blessid Union Of Souls. This was edited from a movie clip that looped in the Fogg Entertainment and Blessid Union booth at the NACA convention in Boston a few years ago. The NACA is the National Association of Campus Activities, a group that hosts national and regional conventions that allows college students and directors to see showcases of entertainers for college campuses.
