Good afternoon Blessid World,

We have decided to set the launch date of the website back a few weeks to take care of some programming issues. I hope you are enjoying the new site so far as it is coming along quite well. The online shop is not as far along as we would like but we are fixing some minor issues. I would like to mention this is the Official Website of Blessid Union Of Souls and the domain blessidunion.net as been the domain for Blessid Union Of Souls for many years now. We shortened the new domain to blessidu.com for convenience. But as you see both names get you here. I would like to also mention that I am Jeff Pence the co-founder and co-owner of Blessid Union Of Souls and the corporation BUOS Inc. This is not run by a fan and is not as you can see hosted on myspace with all the annoying ads.

We do have a MySpace page at <http://myspace.com/blessidunion> and a YouTube channel at <http://youtube.com/blessidunion> . Any other site is not recognized by Blessid Union Of Souls or BUOS Inc as official but are enjoyable and it is an honor that such work is done by our fans for the Blessid Cause.

There is a lot of work ahead that will bring many surprises to fans of Blessid Union of Souls so stay tuned to this website for many good things to come.
