

## VIP Party Postponed

Contributed by Jeff Pence  
Thursday, 06 November 2008

Hey Blessid Fans. Due to the wind damaged the studio suffered in September we won't be ready for the party Nov 8. We also had so many requests for passes we are going to move the event to a location that will accommodate more people. We will post a new date in a few weeks so if you are a registered member of the site you will receive an email. If not just check back for the new date.

Hope to see you soon!
